

## *Shannon*

### **Registered Missouri Fox Trotter**

**Born:** 1998

**Height:** 15 - 15.1 Hands

**Color:** Bay with black points and white stripe on her nose. She has very pretty brown eyes with BLUE in the center.

'Shannon' is a beautiful bay mare with excellent conformation, gaits and disposition! In her past she was a successful show mare in Missouri. She is an excellent trail horse and has been trail ridden extensively, crossing water, climbing mountains with ease. She has produced several out-standing foals, including a 2008 light buckskin filly which we own. Currently she is not in foal, but should a buyer wish to buy as a 'package' in foal to our stallion, Velvet's Red Mars, we'd be happy to offer a package price. She is an affectionate and sweet mare, so we hope she goes to a loving new owner who will appreciate her as we do. Her new owner should know how to ride but does not need to be an expert! We are sad to sell her as she is such a wonderful, easy going, easy gaited, saddle horse and broodmare, but we need more time to work with our young colts. Serious inquiries only please.
