

February 19th - Workshop/Clinic - Equine Health Issues

Morning Session - Beginning 9:00 -11:30 AM – Natural Horse Power

Clinician: Janet Crow, ESMT, Equine Photonic Therapist

Janet Crow is a natural horsewoman and the founder of Natural Horse Power, LLC. She is a certified Equine Massage Therapist, Equine Photonic Therapist, creator of The Touch and Torch Method. TTM is a direct treatment, combining photonic (low level laser) therapy, massage therapy, body work, energy work and communication used in conjunction with other natural treatments. This method of healing is completely natural, non-invasive and non-traumatic. TTM is proving to be effective with most equine conditions including joints, tendons and ligaments, wounds, arthritis, colic, inflammation, and pain management. Janet is passionate about revealing this information to all horse owners so that they are able to make the best health care decisions for their horses based on all available and current treatment. Her web site is www.naturalhorsepower.net

This session is designed to help you recognize areas of stress in your horse and how to maintain wellness to ensure a long, healthy, and happy life for your horse. You will learn about the benefits of photonic healing and TTM for wellness, preventing injuries and healing new or chronic injuries or conditions. You will also learn treatments that you can perform on the trail to prevent soreness, flush toxins, maintain balance and an emergency colic treatment.

Afternoon Session - Beginning 1:00 - 3:00 PM

Equine Dentistry: What, Why, & How it Affects Your Horse's Performance

Clinician: Ashleigh Olds, DVM

Dr. Olds owns Aspen Creek Veterinary Hospital & Equine Dentistry Services, located in Conifer, Colorado. One of her specialties is equine dentistry and how it relates to horse health and performance. Dr. Olds has been performing advanced equine dentistry in the Denver area for the past decade, including dental and sinus surgeries.

This interactive seminar will feature a discussion about equine dental anatomy and why dental care is so critical to health and performance of equine companions and athletes. The second half of the presentation will feature a live interactive demonstration of equine dental exam and equilibration techniques.

Clinic Fee: For all day (both Clinics) it is \$35 for members and \$50 for Non-Members. For just a single clinic it is \$25 for members and \$35 for non-members. This is not a “bring your horse” clinic. Rather come and learn from demonstrations. Lunch is on your own. There are restaurants nearby or bring your lunch. This will be held in an indoor arena – it could be chilly, but it will be dry.

Location: Happy Dog Ranch, Littleton, CO. (Directions will be provided when you RSVP)

RSVP Required: Call Peggy Sandbak at 303-674-3141 to register or email MtStatesFoxTrot@aol.com . Prepayment will be required.
